

Virginia's First Congressional District Democratic Committee

January 14, 2021

Representative Robert J. Wittman
2055 Rayburn House Office Building
Washington, D.C. 20515

Congressman Wittman:

Your actions in recent weeks to undermine our citizens' confidence in the results of the November 2020 election and your attempt to not seat our duly elected president are beyond the pale. Your willingness to consistently lie to your constituents about those election results is unconscionable. You have proven yourself woefully inadequate to carry out your Congressional duties and are therefore unfit for elected office.

You have repeatedly chosen to parrot President Trump's lies and pander to your voters' misbeliefs in lieu of telling them the truth. Joe Biden and Kamala Harris were fairly elected in a valid election. You signed an amicus brief in an attempt to invalidate votes of citizens of Pennsylvania purposely casting doubt on the integrity of the American system of elections. That brief was rejected unanimously in its entirety by the Supreme Court of the United States as you knew it would be. Resolution of a real problem was not your objective. You collaborated with others to create fake issues and sought to amplify conspiracy theories and curry favor with those who seek to win at any cost.

In fact, you have repeatedly chosen the easier wrong instead of the harder right. You fecklessly repeated what you knew to be lies and joined with others to object the counting of duly certified slates of electors. You callously made political calculation after calculation instead of standing for democratic principles and truth.

Your actions and those of President Trump and his supporters, culminated on Wednesday, January 6, in a violent and vicious attack upon our nation's Capitol by people you helped misinform and foment into a riotous mob. It resulted in the death of a Capitol police officer. Your seditious statements over the past month contributed to this domestic terrorism.

A true leader is principled. A leader by definition resolves to put others before himself. A principled elected official knows his is a higher calling; that his guiding principle must be that his allegiance to the Constitution and his duty to the country are higher than his loyalty to his party or to his prospects in the next election. You, Sir, are not a leader; you are in fact unfit for elected office.

A true leader has the moral courage to choose that harder right rather than the easier wrong, the courage to risk angering his followers by telling them what they need to know to forge a more perfect union rather than tell them what they prefer to hear.

You have violated your oath, you have shirked your responsibilities, you cannot be trusted to uphold the Constitution, and can no longer be trusted by your constituents. You are unfit to serve the constituents of Virginia's 1st Congressional District. Therefore we, the undersigned, demand your immediate resignation.

Sincerely,

Matt Rowe, Chair, 1st CD Dem. Comm., Fredericksburg
