	PHONE CALL [08/20/21 11:50:44 ABROWN]
08/20/2021 11:49:31	called comp on phone. comp asked if chickens were allowed in city. i began asking comp a few questions and then the call was dropped. tried calling comp back two times but got voicemail. i left a message. went by 708 king in the alleyway. saw fowl feathered in the backyard. they had food and water. spoke to resident named Hilda who I know from previous call history. Hilda was tending to the birds upon my arrival, Hilda only speaks spanish. Using a phone app, I gathered Hilda just got the birds. Hilda appeared to be constructing a bird pen. Birds were in good shape. hbo [08/20/21 13:38:23 Unit:PD180]

SPOKE TO COMPL BY PHONE. I ADVISED HER THAT THE CHICKENS COMING IN HER YARD WAS A CIVIL ISSUE AND THAT THERE IS NO STATE OR CITY CODE FOR "CHICKEN AT LARGE" ONLY "FOWL AT LARGE" AND DOMESTICATED CHICKENS RAISED FOR MEAT OR EGGS, DO NOT QUALIFY AS "FOWL". SHE ADVISED ITS THE HISPANIC FAMILY BEHIND HER. I AM FAMILIAR WITH THIS ADDRESS AND WILL LOOK INTO A VIOLATION FOR PROXIMITY TO THE RESIDENCE. HBO [02/21/20 10:43:43 Unit:PD261]

UPON ARRIVAL (1) CHICKEN WAS DOA ON THE PROPERTY AT 1516 2ND STREET. LOCATED OWNER, FERNADO LOPEZ (540)836-7255, AT 1525 2ND STREET. OWNER COLLECTED REMAINS, AND WAS ADVISED THAT THERE WAS NO VIOLATION OF LAW OR WAYNESBORO CITY ORDINANCE AS THE DOGS REMAINED UPON THEIR OWN PROPERTY, HOWEVER CIVIL SUIT COULD BE MADE. LOPEZ STATED THAT HE WAS NOT INTERESTED IN CIVIL SUIT, BUT STATED COMPLS DOGS HAVE BEEN IN THEIR YARD PRIOR AND HAVE KILLED A CHICKEN, BUT THEY DID NOT CALL TO REPORT IT. LOPEZ HAS SEVERAL OTHER CHICKENS THAT FREE ROAMING THE YARD AND COMPL STATES THAT THEY ARE ALWAYS OUT IN NEIGHBORING YARDS. I ADVISED COMPL THAT THERE IS NO LAWS FOR CHICKENS AT LARGE, HOWEVER I GAVE LOPEZ A WARNING FOR CITY CODE [Sec. 14-10. It shall be unlawful for any person to keep game cocks or game chickens within 150 feet of an occupied dwelling. Any person violating this section shall be guilty of a class 4 misdemeanor. LOPEZ ADVISED THEY WERE ALMOST FINISHED WITH COMPLETING THE FENCE TO ENCLOSE THE ENTIRE YARD, TO HOPEFULLY HELP WITH THIS PROBLEM. HBO. [12/26/19 16:11:30 Unit:PD261]
